Your itinerary

Full-Day Istanbul Shopping Mall Tour

Our suggested route covering İstinye Park, Kanyon, Zorlu Center and Cevahir shopping malls. These are four of Istanbul’s best-known shopping destinations, each offering a different experience: luxury shopping, contemporary architecture, premium lifestyle and a wide selection of international and Turkish brands. All four are on Istanbul’s European side, making them a practical combination for a full-day private shopping excursion. With your own driver, the itinerary allows time to explore each mall, enjoy lunch and take shopping breaks without making the day excessively rushed.

Istinye Park
One of Istanbul’s leading luxury shopping destinations, combining elegant indoor galleries with attractive open-air shopping streets. Visitors can browse international designer labels, premium Turkish brands, fashion, jewellery, cosmetics and lifestyle stores. Its Turkish-style bazaar area and varied restaurants add a distinctive local touch.

Kanyon
Known for its striking canyon-inspired architecture, open-air walkways and contemporary atmosphere. Kanyon offers a carefully selected mix of international and Turkish fashion brands, boutiques, cafés and restaurants. It is an especially pleasant stop for a leisurely lunch and a little shopping in a stylish setting.

Zorlu Center
A sophisticated shopping and lifestyle complex bringing together luxury fashion houses, international brands, Turkish designers, fine dining and cafés. Its open central square creates a pleasant meeting and relaxation area. The complex is also home to Zorlu Performing Arts Center (Zorlu PSM), one of Istanbul’s prominent venues for concerts, theatre and musicals.

Cevahir
One of Istanbul’s largest and most established shopping and entertainment centres, with more than 200 shops spread across six floors. It offers a broad mix of international fashion chains, popular Turkish clothing brands, sportswear, electronics, accessories and home products. Its cinema, cafés and extensive food court make it a convenient final stop for shopping and dinner.
