Your itinerary

Sunrise Hot-air Balloon Ride

Our crew will pick you up at your hotel before dawn and transfer you and fellow travelers to the takeoff site. Feels like stepping out of a bus or getting off a spacehip? Watch our team’s preparation

for flight, inflating balloons against the backdrop of the dawn sky.

Listen to your pilot who will share safety measures and the do’s and don’ts during your flight. With the sound of a fire-breathing dragon, you skim the grass and slowly lift off, graceful stability with majestic views. Hundreds of hot air balloons float across the sky. It lives up to the hype, times 100. Floating silently above the oddest-looking landscape dotted with villages, vineyards, and fruit orchards for about an hour, coming down in a farmer's field. Break out the bubbly for a traditional champagne toast to a successful aeronautical adventure! Once-in-a-lifetime experience!

The golden rule of thumb is to book your flight on your first day in Cappadocia. This way, if your flight gets canceled due to weather conditions that are out of our control, you’ll be rebooked on the next available flight. The first flight of the day is the best because of the sunrise and the wind conditions.

Your Cappadocia hot-air balloon flight includes a complimentary pre-flight breakfast and transfers between your hotel, take-off and landing spots. Prices can vary greatly depending on the time of year you fly and how far in advance you book.

Good to know

Hotel transfers, light breakfast, approximately one-hour balloon flight and a traditional champagne celebration are included. Flights are subject to weather conditions and aviation authority approval. Advance booking is recommended.
