## Your itinerary

### Turkish Bath Experience

Deep cleanse your body and mind during a 2-hour traditional Turkish bath experience at Cappadocia’s Turkish Baths, a gorgeous 18th-century bath house. As authentic as cultural

experiences get, a Turkish bath experience remains much the same now as it was during the Ottoman era.

Go inside and be shown to a private cubicle to change into your bathing suit and, if you wish, a peştamal(traditional robe). Then, when you’re ready, walk into the hammam chamber: a hot steam room with marble platforms, benches and basins. Relax on a marble slab in a steamy bath chamber, have a vigorous and exfoliating scrub to strip away dead skin cells, and then relax in a cooler room. Opt to include an oil massage if you wish, and after cooling off, leave feeling renewed and revitalized, with your skin ready for a perfect tan. Feeling relaxed and rejuvenated, return to the changing rooms to dress and then leave the bath house. Hotel pickup and dropoff are also included.

## Good to know

This 2-hour experience includes hotel transfers, a traditional Turkish bath and exfoliating scrub. An optional oil massage is available at an additional cost. Please bring your swimwear.
